# Cancellation

## Rheintalcup 2021

Dear friends of gymnastics

**Unfortunately, we have to cancel the replay of the jubilee – Rheintalcup 2021 definitely.**

**The uncertainty about the development with the numerous virus mutations forces us once again to take this regrettable step.**

*According to our investigations, the implementation of the Rheintalcup in mid-April seems to be not feasible. The international part on Saturday is not feasible due to the lack of registrations due to quarantine regulations. The fact that a big event, such as the European Artistic Gymnastics Championships in Basel, is planned without spectators confirms our general concerns. The entire competition is also coupled with a lot of requirements about protection concepts. A anniversary should be celebrated differently!*

**So we are in good spirits to see you at the 26<sup>th</sup> Rheintalcup!**

*See you in April 2022 in Widnau!*

*Kind regards*
