                 11.00    End of the party – clubbing somewhere else  
                                 (to be announced)

Time to celebrate and party again!!!

Spring is coming, so the perfect time to welcome the new season with an evening in style! Take off your home-office-dress.

Put your **elegant dress and evening suit** on and join our spring celebration.

The new Porsche Studio – the first and only in Europe – is the perfect place for this evening. Usually a spot to meet and mingle for sports car & Porsche lovers. Tonight we get the chance to explore this fantastic place, exclusive for us.

To party in style, we ask for a strict dress code – evening attire – the right way to celebrate end of pandemic and beginning of spring as well!

A professional **photographer** will be there to take beautiful photos of all guests AND will take special photos for a fun contest: **Me, myself & Porsche.**

It means a photo competition where we look for the most creative photo with a Porsche. The winner will be announced at the end of the evening and will be “the owner for a weekend” of a Porsche model of own choice. (Reservation of the car necessary in advance).

We start the evening with a walk over the red carpet, surrounded by iconic Porsche cars.

From 7.30 on we serve delicious **apéro snacks and flying dinner**. You may enjoy all offered **drinks à discretion** all evening long.
